## THE VICTORIA CROSS

CONTINUED FROM

*"The Monthly Army Lists"* of March, June, July, October and December, 1857, January, February, May, July, September, October and November, 1858, January, February, May, June, July, August, October, November and December, 1859, and February, March, June, July, September, October and December, 1860, and March and April, 1861.

*War Office, 17th July, 1861.*

THE QUEEN has been graciously pleased to signify her intention to confer the Decoration of "The Victoria Cross" on the under-mentioned Non-Commissioned Officer, whose claim to the same has been submitted for Her Majesty's approval, in consideration of an act of bravery which he has performed in New Zealand, as recorded against his name, viz. :—

40th Foot.—Colour Serjeant JOHN LUCAS.—Date of act of bravery, 18th March, 1861.—

On the 18th of March, 1861, Colour Serjeant Lucas acted as Serjeant of a party of the 40th Regiment, employed as skirmishers to the right of No. 7 Redoubt, and close to the Huirangi Bush, facing the left of the positions occupied by the natives. At about four o'clock, p.m., a very heavy and well-directed fire was suddenly opened upon them from the Bush and the high ground on the left. Three men being wounded simultaneously, two of them mortally, assistance was called for, in order to have them carried to the rear. A file was immediately sent, but had scarcely arrived when one of them fell, and Lieutenant Rees was wounded at the same time. Colour Serjeant Lucas, under a very heavy fire from the rebels, who were not more than thirty yards distant, immediately ran up to the assistance of this Officer, and sent one man with him to the rear. He then took charge of the arms belonging to the killed and wounded men, and maintained his position until the arrival of supports under Lieutenants Gibson and Whelan. (*Gaz.* 19 July, 1861.)

1,592.**ARTIFICIAL ARMS AND LEGS.**

THE Lords and others Commissioners of Chelsea Hospital having at the suggestion and recommendation of the Secretary of State for War made Arrangements for the supply of Artificial Arms (constructed upon an improved principle) and of Artificial Legs (in imitation of the natural leg both as to form and motion) to those Commissioned Officers who have been wounded in the Service, whose means may not enable them to provide themselves with more expensive contrivances,—it is hereby notified, that such Officers who may be desirous of availing themselves of this benefit and whose cases may come within the above regulation, should address their applications upon the subject to the Secretary of Chelsea Hospital. It is, however, to be clearly understood, that, as this is intended to be a boon to Officers of the above description, no pecuniary allowance in lieu can be granted to Officers who may prefer providing themselves with other substitutes for limbs.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

## Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's Dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

## Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

Foreign Office, May 10, 1855.

## THE VICTORIA CROSS

CONTINUED FROM

*"The Monthly Army Lists"* of March, June, July, October and December, 1857, January, February, May, July, September, October and November, 1858, January, February, May, June, July, August, October, November and December, 1859, and February, March, June, July, September, October and December, 1860, and March, April and August, 1861.

*War Office, 13th August, 1861.*

THE QUEEN has been graciously pleased to signify her intention to confer the Decoration of "The Victoria Cross" on the under-mentioned Officers and Soldiers, whose claims to the same have been submitted for Her Majesty's approval, on account of acts of bravery performed by them in China, on the occasion of the assault and capture of the North Taku Fort, on the 21st of August, 1860, as recorded against their several names, viz. :—

44th (now of the 90th) Foot. Lieutenant (now Captain) ROBERT MONTRESOR ROGERS.

44th Foot. No. 220. Private JOHN M'DOUGALL. 67th Foot. Lieutenant EDMUND HENRY LENON.—For distinguished gallantry in swimming the ditches, and entering the North Taku Fort by an embrasure during the assault. They were the first of the English established on the walls of the Fort, which they entered in the order in which their names are here recorded, each one being assisted by the others to mount the embrasure.

67th (now of the 60th) Foot. Lieutenant (now Captain) NATHANIEL BURSLEM. 67th

Foot. No. 612. Private THOMAS LANE.—For distinguished gallantry in swimming the ditches of the North Taku Fort, and persevering in attempting during the assault, and before the entrance of the Fort had been effected by any one, to enlarge an opening in the wall, through which they eventually entered, and, in doing so, were both severely wounded.

67th (now of the 100th) Foot.—Ensign (now Lieutenant) JOHN WORTHY CHAPLIN.—For distinguished gallantry at the North Taku Fort. This Officer was carrying the Queen's Colour of the Regiment, and first planted the Colours on the breach made by the storming party, assisted by Private Lane of the 67th Regiment, and subsequently on the cavalier of the Fort, which he was the first to mount. In doing this he was severely wounded.

Indian Medical Establishment.—Hospital Apprentice ARTHUR FITZGIBBON.—For having behaved with great coolness and courage at the capture of the North Taku Fort, on the 21st of August, 1860. On the morning of that day he accompanied a wing of the 67th Regiment, when it took up a position within 500 yards of the Fort. Having quitted cover, he proceeded, under a very heavy fire, to attend to a Dhoolie-bearer, whose wound he had been directed to bind up; and, while the Regiment was advancing under the enemy's fire, he ran across the open to attend to another wounded man, in doing which he was himself severely wounded.

## WARRANTS, CIRCULARS, &c.

54.

CIRCULAR, No. 697.

General No. 1,333.

War Office, 15th July, 1861.

In consequence of the introduction into the Service of the *Interchangeable* Rifle Muskets, pattern 1853, it becomes necessary that an alteration should be made in the existing mode of remunerating Armourer Serjeants for the repair, examination, &c., of those *Interchangeable* Arms.

Lord Herbert has, therefore, with the concurrence of His Royal Highness the General Commanding in Chief, decided that the duties and pay of Armourer Serjeants when attached to Regiments, shall, in future, be governed by the following regulations.

1. The pay of Armourer Serjeants with Regiments shall be raised from 2s. a day to a uniform rate of 5s. a day for seven days in the week, exclusive of beer money, which they will continue to receive.

2. All the materials for the repair of *Interchangeable* Arms, as well as the implements and chemical ingredients for browning the same, shall be supplied to Regiments on requisition from the Officer Commanding at the public expense, and shall be kept in charge of the Quartermaster, under the direction of the Commanding Officer. The cost of the carriage of such materials, implements and ingredients to the Regiments will also be borne by the public.

3. Armourer Serjeants in consideration of the increased rate of pay granted to them, and the gratuitous supply of materials, will perform all repairs required to the *Interchangeable* Arms in the possession of their respective regiments; examine and clean them periodically as at present and brown the barrel of each rifle every second year, or oftener if necessary, without any additional remuneration. They will also be required to mark the arms of their regiments including those of the Serjeants.

4. They will also keep up the tools in the Armourer's Field Forge issued to Regiments without any extra cost to the public.

5. To enable the Armourer to perform the service of browning the arms, as part of his regular duty, he may be granted the assistance necessary for the purpose from the Regiment; the men employed under his direction being allowed the usual working pay.

6. The payment for repairs at the prices specified in detail in the Queen's Regulations (page 106), and for the browning of barrels (Art. 25, page 101), will therefore be discontinued in the case of Rifled Muskets, pattern 1853, *when made on the interchangeable principle*; and no charge will in future be made against the soldier for the browning of his rifle.

7. The sum of 1s. a year, per arm of rank and file, shall be deducted from each Captain's contingent allowance, and credited to the public in aid of the expense incurred in maintaining the arms in repair.

8. All repairs to arms injured either intentionally or by carelessness are to be paid for by the men at the regulated rate specified in the annexed statement. The Captains of Companies will be responsible for receiving the charges for these damages, and for crediting the amount to the public, less the amount in Column B, which is to be paid to the Armourer Serjeants, *vide par.* 16.

9. As by the above arrangement the Armourer Serjeant, in consideration of his increased rate of pay is required to keep all *Interchangeable* Arms in a state of repair, and to inspect them periodically, he will be held strictly responsible that all such as are delivered into store *before they have been the regulated period in use* are actually in a serviceable state.

10. All casualties, therefore, whether of an accidental or wilful description, which may be discovered in such arms when inspected by any viewers of the Small Arms Department, and which ought properly to have been made good previous to the return of such arm or arms into store, will be charged to the Regiment and recovered from the Armourer Serjeant. This charge will include all the expense of repairs, exclusive of the value of the materials which are supplied gratuitously.

11. When arms have been directed to be returned into store, immediate notice is to be given by the Captains of Companies to the Serjeant Armourer, in order that the repairs required by the regulations may be executed, and, generally, they will afford the Serjeant Armourers every facility and proper opportunity for examining and repairing them. In the event of any Captain neglecting or refusing to do so when

## CIRCULAR, No. 697—continued.

required, he will render himself responsible for any charge that may be made on account of repairs deemed necessary by the Small Arms Department; any such special case to be decided by a Board of Officers.

12. As these amended regulations do not exonerate Captains of Companies from their responsibility for the perfect efficiency of the arms belonging to their Companies, they must satisfy themselves, by frequent and careful inspection, that all repairs are promptly and properly performed by the Serjeant Armourer.

13. An account is to be rendered annually to the War Office by Officers Commanding Regiments of the receipts and expenditure of the materials supplied for the repair of the *Interchangeable Arms*, and of the number of the several articles remaining in the possession of the Quartermaster.

14. These regulations do not apply to the *Serjeants' Short Rifles*, the parts of which are *not interchangeable*.

Such repairs as they may require (when not damaged by carelessness or intention) are to be paid for by the Captains of Companies, the Armourer Serjeant furnishing the materials as heretofore.

15. The *annexed statement* contains a list of materials which will be furnished at the public expense to Serjeant Armourers for the repair of the *Interchangeable Rifles*, and which, with the exception of the *breech pin*, will be supplied in the finished state.

16. To meet the case of repairs executed by the Serjeant Armourers which have to be charged to the soldiers, on account of carelessness or wilful damage, the statement shews in column A. the cost of the materials. Column B. shews the sum to be paid by the soldier to the Serjeant Armourer for his extra labour in replacing the several parts enumerated in that column, as most likely to be thus damaged. This payment to the Serjeant Armourer, with the cost of the material, will be the total charge *against the soldier*. But as the materials will have been originally supplied without charge, their value, when thus used to make good loss and damage, must be credited to the public.

17. The statement further shews, in column C., the estimated per centage of materials required for the repair of *Interchangeable Rifles* for one year's consumption in Garrisons. In the Field this proportion should be doubled.

CIRCULAR, No. 698.  
HOME AND FOREIGN.

War Office, S.W., 27th July, 1861.

It having been brought to the notice of the Secretary of State for War that in the different branches of the Army there are Serjeants bearing various denominations and titles, whose relative ranks and positions do not appear to have been ever clearly defined, and that hence questions as to the extent of quarters, &c. they are entitled to, are of frequent occurrence.

Lord Herbert has, in consequence, with the concurrence of H.R.H. the General Commanding in Chief, caused a Schedule, a copy of which is annexed, to be prepared, dividing such Warrant and Non-Commissioned Officers employed in the several branches of the Army, and on Staff and Departmental Appointments, into three classes, A., B. and C.

Those shewn in Class A. [see next page] will be considered 1st Class Staff Serjeants, those in Class B. as 2nd Class Staff Serjeants, those in Class C. will be treated, as far as barrack allowances are concerned, as rank and file, and will not be entitled to any personal allowances.

Allowances of quarters, fuel and light will in future be made according to this Schedule, and such allowances will be confined to actual substantive appointments, to the exclusion of acting or probationary ranks.

All allowances granted by special authorities will cease forthwith.

In the weekly fuel returns, as well as in claims for commuted allowance in lieu of lodgings, fuel and light, the actual denomination of each Non-commissioned Officer should hereafter be shown.

*War Office, 31st July, 1861.*

As government passengers are no longer conveyed by the Peninsular and Oriental Company's Steamers at reduced rates, the Secretary of State for War has decided that Officers are not in future to be provided with passages to England in those vessels excepting on duty under peculiar and special circumstances, which the Officer commanding the Troops in the exercise of his discretion may consider to require a speedy voyage, otherwise passages should be provided by the ordinary lines of trading vessels.

When an Officer is permitted to engage his own passage he should receive a sum representing the cost the public would incur in providing conveyance at the average rate, less the contribution for messing for the duration of the voyage, but the cost of a passage by the Peninsular and Oriental Company's route should in no case be issued.

64—28—153.

War Office, 7th August, 1861.

SIR,—I am directed by the Secretary of State for War to inform you, that in consequence of the diversity which exists at Foreign Stations, in the mode of charging expenditure on account of Provost Prisons and Garrison Cells, he has decided that on uniform system shall in future be followed, and that the Military Accountant shall pay and charge in his accounts, under the head of Military Prisons, all expenses connected with these services, which will consequently be altogether removed from the account of Regimental Paymasters. The Controller of Army Expenditure should enter into contracts for the supply of provisions and stores required for the Provost Prisons, and this duty will no longer devolve on the Commanding Officer at the Station. All articles should be provided and accounted for in the manner laid down in Circular 49 of 17 October, 1859, and the accounts and vouchers, which are to be prepared by the Provost Serjeants, should be certified by the Commanding Officer.

Where a strictly regimental system of imprisonment is carried out in the Barrack Cells this new regulation will not apply, but the existing system of accounts should be followed.

I am to request that you will give the necessary instructions for carrying out the new system from the commencement of the quarter succeeding the receipt of this Circular.

The General or other Officer Commanding.

EDWARD LUGARD.

[This Circular to be substituted for the Circular bearing the same number and date, which is hereby cancelled.]

CIRCULAR, No. 696.

Gen. No. 1,651.

FOREIGN.

War Office, 3rd July, 1861.

THE Secretary of State for War, having had under consideration the subject of assessing damages to Arms returned into Store by Regiments abroad, has decided that in future, whenever any Arms are so returned, a Board shall assemble and carefully examine all the Arms, with a view to assess the damages in accordance with the scale of prices laid down in the Queen's Regulations.

The sums to be levied against the Regiment should only be for work which ought to have been executed upon the Arms by the Armourer Serjeant of the Regiment, and not such sums as may be required to make the Arms fit for re-issue for service.

The Board shall consist of the Senior Military Store Officer (assisted by the Civil Armourer where there is one), the Inspector of Warlike Stores, and the Instructor of Musketry of the Regiment or Corps.

## RECRUITING DEPARTMENT.

General No. 143.

*Horse Guards, S.W., 3rd July, 1861.*

HIS Royal Highness the General Commanding in Chief having reason to believe that men unfit for the service, from physical defects, have been passed into it, desires Inspecting Field Officers of Recruiting Districts and Officers Commanding Regiments and Depôts, to call the attention of the Medical Officers under their orders to the 99th page of the Hospital Regulations, and that of Civil Medical Practitioners to the Instructions lately issued to them.

If due attention were paid to these Instructions, the numerous cases of men discharged after very short service would be materially diminished.

By Command.

J. YORKE SCARLETT,

*Adjutant General.*

Courts Martial—1 (1861).

*Horse Guards, S. W., 20th July, 1861.*

HIS Royal Highness the General Commanding in Chief finds it necessary to call the attention of Courts Martial to the annexed Extract of the Circular dated Horse Guards, 26th July, 1845.

By Command. JAMES YORKE SCARLETT,  
*Adjutant General.*

*Extract of a Circular Memorandum dated Horse Guards, 26th July, 1845, addressed to Officers commanding Regiments and Depôts in Great Britain and Ireland.*

“THE number of cells provided in the District Military Prisons for enforcing sentences of solitary confinement being but limited, the Commander in Chief recommends that Courts Martial, in passing mixed sentences of imprisonment, should leave to the discretion of the Governor of the Prison to appoint the precise period or periods of the imprisonment at which the offender shall undergo solitary confinement. “ Courts Martial will, however, in and by their sentence, fix the number and length of the portions of the imprisonment for which the offender is to be kept in solitary confinement, and direct that intervals of not less duration than that required by the Mutiny Act and Articles of War shall take place between the periods of solitary confinement.”

CIRCULAR MEMORANDUM,

*Addressed to the Army at Home and Abroad.*

General No. 146.

Yeoman of the Guard—1 (1861).

*Horse Guards, S. W., 6th August, 1861.*

THE Queen has been pleased to approve that the purchase of the officers' commissions in the corps of the Yeoman of the Guard should cease at the earliest possible moment, and to order that the future vacancies in the corps should be filled up by officers of the army of long and good service, to be selected from a list kept at the Horse Guards by the General Commanding in Chief, the recommendation being made to Her Majesty in each case, as now, by the captain of the corps.

Any of the officers who acquired their commissions by purchase, and are desirous of retiring from the corps, upon communicating with the captain will receive from the Secretary of State for War an amount in compensation thereof, and a successor will be appointed to the vacancy, who, however, it must be clearly understood, will not be allowed to sell his commission.

The Lieutenant in future to be appointed must have been a Colonel or Lieutenant Colonel in the Army, or Royal Marines, or in the Indian Army.

The Ensign and the Clerk of the Cheque, a Lieutenant Colonel or Major in the Army, or Royal Marines, or in the Indian Army.

The Exons, Captains in the Army, or Royal Marines, or Indian Army, according to the present regulations of the corps.

CIRCULAR MEMORANDUM, No. 146—*continued.*

It is further Her Majesty's pleasure that no officer should be appointed to the corps above the age of fifty.

Whenever an officer becomes, in the opinion of the captain, permanently incapacitated to perform the duties of the appointment, he will be required to resign it, or half his salary will be paid to a substitute selected as already described, and who will succeed to the next vacancy in the corps.

This order is not to be retrospective, or to apply to those officers of the army now in the corps who have been appointed on the recommendation of the General Commanding in Chief.

It is to be clearly understood that officers who may be appointed for the future, under the above regulations, will be, as heretofore, entirely under the command of the captain of the corps.

Any officer who may possess the above qualifications, and is desirous of being a candidate for the corps, should address his application to the Military Secretary, Horse Guards, for the purpose of its being laid before his Royal Highness the General Commanding in Chief, with a view to such officer, if duly qualified, being recommended, through the captain of the corps, to Her Majesty for appointment.

*Adjutant General.*
